Hello James,

It was a pleasure meeting you today.

I spoke to Sergeant Gomperz, Foothill Vice Officer-in-Charge, regarding the pigeon racing. He advised that after completing their investigation and consulting with many different entities, including the Foothill Division Neighborhood Prosecutor, Office of the City Attorney, it was determined that no crime occurred within the City of LA. Due to this, there was never any case to file with the City Attorney's Office.

Thank you,
